

My name is Anne Butterworth, and I am interested in your consideration for the position of secretary or large event coordinator of the Legend Titan Band Boosters. My daughter Kayden, a tenor saxophone/ bass clarinet player and has greatly enjoyed becoming a member of the Legend Band. In addition to Kayden, I have two other children a junior at Legend and a 2nd grader at Gold Rush Elementary school.

Professionally, I have a background in education including 15 years teaching engineering and technology to students of all ages. For the past four years, I have served as a school administrator and enjoyed the process of designing systems to improve school effectiveness and getting to work with many excellent teachers and students. Additionally, I have experience in serving on community boards including the Colorado Technology Teacher Association and Truckee Family Connection. Over the past year I have enjoyed getting to know some of the Legend Titan band families while being part of the "Legendary Pit Crew" and enjoyed every minute of it. It is my interest to use my leadership experience to support the continued success of the Legend Titan Band because the band has become a foundation of joy and learning for Kayden. and feel my background in serving on community boards and organizing educational events will allow me to be a productive member of the 2019-20 board.
